Foreword

POWER has been chosen as the theme of the 1931 Skookum Wa Wa for it shoulders the responsibility of our prosperity. Lumber camps—fields and tractors, transportation—engines and steam, hydro-electric supply—thunder—water falls, the community church, the school—each must have the one or the other is useless. For this reason, Power has been selected for our yearbook theme.

SKOOKUM WA WA

POWER EDITION

PUBLISHED BY THE JOURNALISM DEPARTMENT
OF THE CENTRALIA HIGH SCHOOL
CENTRALIA, WASHINGTON

F. H. COLE PRINTING CO.

Dedication

TO Centralia's Business Men and the American Legion, those who back us in all we do, who have made our many activities possible, and who have lent a helping hand in all undertakings, the Senior Class dedicates the 1931 Skookum Wa Wa. They are the power behind the school. To them we owe the grandstand on Noble Field—the emblem of Centralia's interest in our school, and a lasting token of their friendship.

PEACE and quiet reign. The shadows of night soften scenes which hard daylight renders unbeautiful. Like the Acropolis of Troy waiting quietly for the Greek attack, our school house, serene and calm, waits for tomorrow's progress.

Class Poem

Our high school days are over now
The world's before us face to face,
And each of us will make a vow
That in this world he'll have a place.
Some few will reach the topmost spot,
Some will stop before they're through,
Some will succeed, some will not,
And some their ways will learn to rue.

But we'll ne'er forget these cherished walls,
The teachers' inflicted torture, too,
The hard, hard seats, the clustered halls,
And our resolves to start anew.
The coveted corners of certain twos,
And most of us were not immune,
The seats in study hall we'd choose
So to our friends we could commune.

We've had our sorrows and our joys,
Our playing and our working.
Joyful carefree girls and boys,
We've spent much time in shirking.
Although at times we must confess,
In moments sacrificial,
We adorned most any desk
With many a carved initial.

And now our four years are finished.
We're no more lasses and lads
But our prestige has not diminished,
For now we are high school grads;
And we won't forget these high school days.
Many a memory we'll recall,
And we'll know in many ways,
How we have really loved it all.

IN the fall of 1928, C. H. S. experienced one of the greatest thrills in her history. Why? The class of '32 entered C. H. S. to lead in school activities for four years.

Although the class entered as green as any Frosh group, at the first meeting, good judgment was shown when Richard Rockwell was elected president; Kenneth O'Brist, vice-president; Bernice Campbell, secretary; Melvin Davis, treasurer; and Miss Laurabelle Minter, adviser. The activities of C. H. S. were backed with vim and vehemence and the year ended successfully with Freshman Day and the Class Picnic.

In 1929, the green had worn off, and they entered as enthusiastic Sophomores. Elinor Castle was elected president; Verol Elmendorf, vice president; Dorothy Fellows, secretary; Foster Teevan, treasurer; and Miss Laurabelle Minter, adviser, to pilot our class through another successful year. The class was represented in various activities, as Jacqueline Wolfson won the vocal solo in the Southwest Washington Music Tournament, and Foster Teevan was a member of the debate team. The class party was a "sleuthing" one, and proved exceedingly interesting with its trials and tribulations.

This year the mighty Juniors elected Doris Taylor, president; Warren Holm, vice president; Virginia Scanlon, secretary; Howard Frykholm, treasurer; Janet Doran, song queen; Howard Garrison, yell king; and Miss Alice Atkinson and Mr. Carl Laudenbach, advisers.

The originality of the class was displayed by changing the custom of class jewelry to class sweaters of blue with sand colored numerals of 1932.

The class was represented in football by Jimmy Myers, Johnnie Clark, Clift-

on O'Connor, Verol Elmendorf, Alvin Rhodes, Orville Herriford, Randal Roberson; in basketball, by Johnnie Clark, Alvin Rhodes and Charles DeCraene; in baseball by Charles Vogel, Eugene Sholar, Walter Olmstead, Donald Naismith, and Johnnie Clark.

March 6 marked the successful production of the three act play, "The Mummy and the Mumps," coached by Miss Herndon Smith. This play may be classed as great or an even greater success than the Junior plays of previous years. Those taking part were: Elinor Castle, Janet Doran, Mildred Cowin, Doris Taylor, Wanda Freeman, Donald Shelton, Foster Teevan, Gordon de Weese, Horace Nunnelee, and Howard Frykholm.

Instead of the Junior-Senior picnic of former years, the classes gave separate ones this year. The Junior class of 1932 held their picnic at Offut Lake, Wednesday, May 20. The picnic met the approval of all attending, and the wish for many more. Committes were: Food, chairman, Mabel Richardson; Transportation, chairman, Harold A. Johnson; and entertainment, chairman, Johnnie Clark.

Mark Crown received the LeRoy Hall Trophy for the winning of the Cross-Country Race. Mark is the second winner of the trophy, Paul Sweet being the receiver of the cup last year. Other Junior class contenders were: Clifton O'Connor, Jimmy Myers, Ronald Shelton, Chester Ullin, Harold Nunnelee, Horace Nunnelee, Billy Judson, and Marcellus Laughlin.

The members of the class are predicting that next year will be the best in the history of the class.

ON entering C. H. S. last year, the class of 1933 chose Robert Sapp, president; Robert Sweet, vice president; Helen Jones, secretary; and Marian Copley, treasurer, to be its leaders in the various Freshman activities.

The class party, held in the gymnasium, was the form of an "Old Time College Meet." Due to the untiring efforts of Miss Thomas and Miss Stewart, the new class had a very successful year.

The following September found the class of '33 raised a notch in class prestige. This year as Sophomores, the group elected as its officers; Robert Sweet, president; Janette Ray, vice president; Jeanne Davies, secretary; and Lois Watson, treasurer.

The most important project of the year was "Sophomore Week." This was opened by a most interesting and profitable assembly consisting of numbers by the Sophomore orchestra, songs, dances, and a clever skit by some of the most talented members. As an incentive for prompt payment of dues, a contest was held between the girls under Marian Copley and the boys under Jimmy Bamford.

The Sophomores further showed their school loyalty by soundly beating the Freshman class in an attendance contest at one of the basketball games.

The girls, with the financial aid of the Girls League, sponsored a tea as a tribute to their mothers. An interesting program was given in the Auditorium, followed by delightful refreshments served in the Annex.

The class of '33 was represented in interscholastic athletics by Dayton

Nietert, basketball and track; Billy Robinson, football and basketball; and Phillip Raymond, football and basketball.

Miss Montfort and Mr. Glanville were the faithful advisers of the class.

The Sophomores were elected to a number of offices of prominence for next year. Dayton Nietert will be the new A. S. B. vice-president, Jean Davies is the new Girls' League president, Jean De Champlain, secretary and Lois Watson, treasurer of the same organization.

Wednesday, May 20, marked the date of another Sophomore activity, the class picnic, which was held at Deep Lake. Such sports as canoeing baseball, swimming, pitching horseshoes, were enjoyed during the day by everyone present. Chairmen of committees in charge were: Frances Lemm, food; and Royal Keily, transportation. This is the first time in several years that the Sophomore class has held a picnic and its great success marks future dates for many more.

Three Sophomores received perfect grade cards during the entire year; Jeanette Ray, Alberta Stewart, and Jimmy Bamford. As a class, the Sophomores had a large percentage of their number on the honor roll.

Due, both to a class spirit that it is fruitless to attempt to extinguish, and also to the work of a competent advisory group, the Sophomore class has been and to all outward appearances, will continue to be one of the outstanding classes of the school.

FROM all four directions of our local universe came the students that memorial day of September 2, 1930, to make up the Freshman class, and what a class! Nothing lacking to make it one of the best of all the Freshman classes of the school's history.

Events have trod right on the heels of other events, this year, and the Freshman class has not allowed it to be shaded in any way by its older and more experienced groups.

Soon after the first day of school, the Freshmen assembled to organize the class, and elect officers. Those chosen were: Dale Crown, president; Opal Blankenship, vice president; Donna Richards, secretary; and Thelma Hunter, treasurer.

One fourth of students that were on the honor roll were from the Freshman class.

Lo! We have a queen in our midst. Early in the fall, C. H. S. was called upon to pick a queen from all the girls in the high school for the celebration of the city's new Hydro-Electric plant. After two or three days of keen competition this honor went to Thelma Hunter, a member of the Freshman class.

Much interest and enthusiasm has been shown by the class in sports. The Freshman girls made a good turn-out in Girls' Athletics. Also Everett Young is the proud bearer of a letter in basketball.

Other activities in which the class has participated are, Orchestra, Glee Club, and Dramatics. They also made a good showing in the Annual drive, with Donna Richards as their candidate, who won second place.

Due credit for the year's success should be given to the Class Advisers,

Freshmen

Freshmen

Miss Wing and Miss Wooden. Without their helpful guidance the Freshman Class undoubtedly would have had some perplexing roads to travel.

Several programs were given before the Freshman class, the best features of which were combined into an interesting assembly given before the whole school. The numbers included in the program were: "Give the Audience a Chance," a skit; "Diamonds and Detectives," a skit; "Alice Blue Gown," a song by Glenna Brunton; a "Cane Dance," by Lucille Lay and Margaret Hagstrom; and a song and dance number, "When Irish Eyes Are Smiling," dance by Rosie Howland and Marjorie Barrett' and song by chorus of Freshman girls.

In stead of having a class party as did the other groups, the Freshmen, who had paid their dues, attended a matinee theatre party at the Fox Theatre, May 15. The picture shown was Trader Horn. Candy and cake were served in the cafeteria before the picture show.

Several Freshman received all As on their report cards consistently throughout the year. Those receiving such grades were: Helen Conrad, Edel Christenson, Frances Thomas, Jane Thompson, Darwin Cunningham, and Clifford Wasson.

This year the Freshman class showed great interest and enthusiasm in all school activities, and a "Peppy" Frosh, make up a very promising group for their future years in C. H. S.

POWER was chosen as the theme for the 1931 annual because conditions about Centralia High tend to suggest it. The whole power of the staff has been spent in the effort to put out, not just a good book, but a book that will live up to the standards of Centralia.

Much of the life of the year book is due to the art work which was done in a creditable fashion by Glenna Brunton, a freshman.

The staff was composed of John Edinger, editor; Doris Taylor, and Foster Teevan, associate editors; Betty Sheldon, photo editor; Cleo Hansen, organization editor; Dora May Conrad, music and dramatic editor; Chester Ullin, snap editor; Lois Doran, feature editor; Glenna Brunton, art editor; Laura Breen, typist; Geraldine Martin, Senior; Virginia Scanlan, Junior; Jeanne Davies, Sophomore; Donna Richards, Freshman; Edward Spurgeon, Business Manager; Rhea Faulkenbury, Advertising Manager; Max Merryfield, Virginia Scanlan, Betty Schuffert, Advertising Solicitors. The 1931 Skookum Wa Wa was ably advised by Miss Virginia Gray, Journalism Instructor.

Centralia Columns

IN a new room well equipped and excellently arranged, the newspaper staff was kept busy publishing the Centralia Columns.

Under the leadership of Max Merryfield, editor, a seven column, bi-weekly paper replaced the five column paper of years previous and a new system of Roll Room distribution installed.

The "C" Book was edited by Don Simmons, assisted by Rhea Faulkenbury and Edwin Boardman, as a project of the Journalism Department.

The Editorial staff was composed of Max Merryfield, editor, Don Simmons, assistant editor; John Edinger, sports editor; Patricia Boardman, Lorraine Cales, Rhea Faulkenbury, Dan Larramendy, Russel Hunter, Edwin Boardman, Elinor Castle, Edith Nunn, Albertina Burdick, Ruth Baker, Dora May Conrad, Alta Finley, Cleo Hansen, Fern Ness, Jewell Owen, Betty Schuffert, Virginia Scanlan, Chester Ullin, Howard Frykholm, John Clark, Betty Sheldon, Doris Taylor, Keith Courmyer, Henry Francis, Bob Galbraith, Bill Judson, Kathleen Johnson, Marjorie Lowry, Harold and Horace Nunnellee, Ronald and Donald Shelton, LeVerne Stam, Margaret White and Esther Herbaugh.

Debate

Debate

THE Centralia High School debate jinx was completely overcome this year by the winning of all the four league debates.

Much of the season's success is due to the efforts of the coach, Miss Dorothea Dowty and to the team which was composed of George Beckim, Robert Miller and Rhea Faulkenbury, as well as to the splendid support and cooperation of the entire Student Body.

The season's first league debate was against Rochester at home; the second against Shelton, at Shelton; the third against Hoquiam at Centralia, and the fourth against Klaber, at Klaber.

The question for debate was, Resolved: That all automobile owners be required by law to carry insurance covering personal liability and property damage.

Although Centralia did not win the coveted district championship, it ranked third among the seventeen entering schools in the Southwest Washington Debate League.

Next year, the C. H. S. debate team will be built around a nucleus of one experienced debater, Robert Miller, who is a Junior. The other two members of the team were graduated in 1931.

The debate question for next year has not yet been decided, but the debating record for this year should be incentive enough to warrant a creditable turnout next year.

Girls' League

Row 2. Martin, Castle, Conrad, Hicks, H. Conrad, Sprague, Richardson.
Row 1. Throckmorton, Ness, Taylor, Myers, Doran, Breen, Miss Warren

Girls' League

THE Girls' League, composed of every girl in High School, is organized to render service, lend moral support to the school, and cultivate higher ideals among the girls. Under the advisership of Miss Lulu Warren, the Girls' League has been very active during the year.

The first undertaking was the Big Sister plan, and in keeping with this movement, a party was given by the Big Sisters for the Little Sisters on October 3, 1930 in the Lincoln Gym.

A successful charity drive was sponsored at Thanksgiving, when clothing and food were collected for the city's less fortunate.

The Girls' League served in the capacity of hostesses for the Washington Educational Association convention, held in Centralia, October 23 and 24.

The main objective of the club this spring has been a series of teas at which the girls of each class have entertained their mothers. To climax these, a large tea was held in May at the Centralia Hotel, honoring all of the mothers of the school, at which time a style show was given by the sewing classes of Miss Margaret Stitt.

The officers this year were Elinor Castle, president; Geraldine Martin, vice president; Laura Breen, secretary; Dora May Conrad, treasurer; Marceil Myers, athletic chairman; Marjorie Wattenbarger, finance chairman; Lois Doran, social chairman; and Annie Sprague, scholarship chairman.

Music Department

THE main musical event of the year was the comic opera "Pinafore" presented in the high school auditorium May 15. It was the biggest musical production ever attempted in C. H. S., and both the directors and the students deserve a great deal of praise for the weeks of preparation they spent in making it a success.

C. H. S. was well represented in the Music Meet this year at Vancouver. The Instrumental Ensemble composed of Thelma Korklin, Dorothyann Schuffert and Howard Jones, placed third. C. H. S. took one first, in the contralto solo by Ruth Baker, and Joseph McShane tied for second in the baritone solo. Virginia Harned placed third, in piano.

Other events which placed in the preliminaries were the soprano solo by Ruby Throckmorton, trumpet solo, Frank McDowell, and the mixed quartette, including Harriet Neely, Loretta Perry, Dayton Nietert, and Bud Kern.

Under the leadership of Miss Retta Wooden, the Girls' Glee Club has had a busy and successful season. They have sung for several lodges, and assemblies, as well as participating in the Christmas Cantata and the opera "Pinafore." Although the Girls' Glee did not place in the annual Southwest Music Meet, they deserve a great deal of credit for their hard work.

The Boys' Glee Club, directed by Mr. Victor McClelland, placed second in the S. W. W. Music Meet. They also participated in the Christmas Concert and the opera "Pinafore."

The band under the leadership of Mr. McClelland, has nobly done its part in adding pep and enthusiasm to many school activities. They have played for a number of the games and for a great many assemblies and lodges in the city. As well as playing in the Christmas Concert, they performed very creditably in the Music Meet. A number of concerts in the City Park, on Sunday afternoons, closed a very successful year for the band.

The orchestra, also directed by Mr. McClelland, has a year of creditable performances to its credit. They played for the three one act plays in Jan., as well as accompanying the cast of "Bimbo the Pirate" to Tono. The combined band and orchestra played for the Christmas Concert and especially should they be commended on their fine work in the opera "Pinafore." They also participated in the Music Meet, and although a number were absent because of illness, they showed up very well.

The prospect for the next few years, is bright, for both band and orchestra, as most of the members are underclassmen, so they will be back next year.

"By yon fair moon, my lady fair,"
But when his wife perchanced to hear
The bishop wished he wasn't there.

Mrs. Barrington didn't care
For the real Miss Marvel's actions,
But when she at last arrived there,
Bill Drum took away this faction.

One speaks of glory and honor
As something earned by hard work
To the Seniors, Fame's the donor
And today their triumph still lurks.

"The Mummy and the Mumps"

Sir Hector traveled by express
And let the mummy have the mumps,
He strode around in woman's dress
Until poor Racker got the jumps.

And Brisky was a college chum
Of William Laidlaw's younger days
And when Sir Hector couldn't come
Affairs were tangled in a maze.

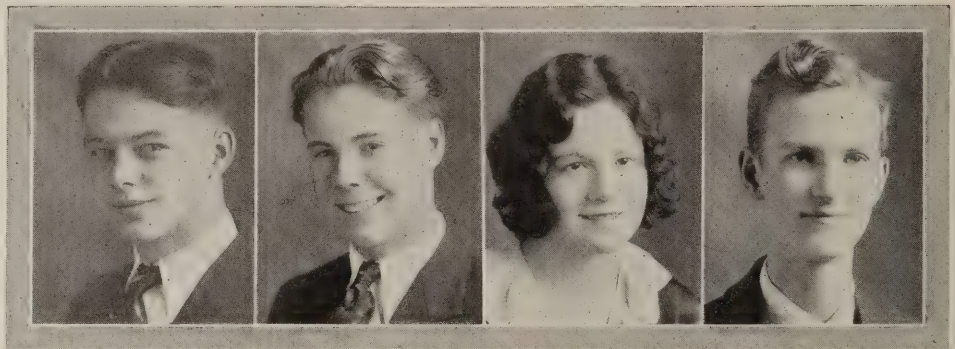

Dulcie Dumble was a dumbell
But not Anna, Maude, and Phoebe
For when Racker said, "I'll not tell,"
He finally told Miss Beebe.

Success is a thing known to few
Obtained by only those who try
The Junior play received just due
The praise of unanimous cry.

Student Council

THE Student Council is an organization representing The Associated Student Body of Centralia High School.

Two years ago the officers of minor organizations were included, but last year they were eliminated and a representative was elected from each roll room. This year, they, too, have been eliminated and the organization consists only of President, Vice-president, Secretary, and Treasurer of the Student Body, and the class presidents and secretaries.

The officers elected this year were: Edward Spurgeon, president; Verol Elmendorf, vice-president; Gaynell McCann, secretary; Foster Teevan, treasurer; Rhea Faulkenbury, Song Queen; and Irvin Greenleaf, Yell King.

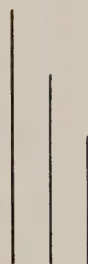

The 1930-'31 season ticket sold for \$4.00, which included admission to all inter-scholastic games, a subscription to the school paper, and the "C" Book.

The school activities for the year included football, basketball, baseball, tennis, golf, track, debate, and music.

In football the Tigers tied for championship, in basketball they placed third, and at the music tournament, C. H. S. musicians placed fifth.

With the aid of the business men and the American Legion the Centralia High School became the proud owner of a new grandstand, 300 feet long with eight rows of seats. Dressing rooms, lockers, and other equipment are to be installed next year. An opera entitled "Pinafore" was given on May 15th, by a cast picked from the entire student body.

Guided by the new principal, Mr. Clyde Campbell and Vice-principal, Mr. H. H. Henry, the A. S. B. completed a very successful year.

The club is composed of boys who have earned a "C" in one of the four major sports: Football, Basketball, Track, and Baseball. A member may be expelled from the club for violating training rules or being expelled from the squad.

The purpose of the club is: To look after the visiting teams, to promote the era of good sportsmanship in Centralia High School, to supervise at all home games and to aid other organizations in the good of the school. The club passed a rule that no foreign letters or stripes, that is, letters and stripes from outside schools, should be worn by Centralia Students while attending high school. Two dances were sponsored by the "C" Club, as part of their program of social activity, and two initiations were held during the year.

Members of the club this year are: Howard Grimm, Jimmie Myers, Woody Ullin, Bud Kern, Ed Spurgeon, Dick Albritton, Orville Herriford, Cliff O'Connor, Gene Sholar, Carol Friend, John Corcoran, John Clark, Jack Gerwig, Ray Ware, Phil Raymond, Bill Robinson, Spencer Rhody, Ran Roberson, Bob Burrows, Vance Noel and Al Rhodes.

The aim of the club this year was to help its members in picking their life vocation and also to render those services possible to the school and community. They planned to have a speaker every meeting, and many good talks were given by the business men of the town.

Two very enjoyable trips were taken by the club during the year, one being to Mt. Rainier the day after Christmas. As the hour of departure was 3 o'clock in the morning there was not much sleep that night. The other trip was to the Y tank at Olympia on March 2.

The year was successfully climaxed by a picnic which is an annual event. On the whole the club enjoyed a very successful year.

The program chairman, Laura Breen, with the cooperation of the cabinet and entire club planned the year's program which consisted in the development of the "Inner and Outer" Girl in Personality; leading toward the discussion of vocations for Girls. Social functions, under Doretta Berry, were also enjoyed by the club.

Pepper's Club

THE PEPPER'S CLUB of C. H. S. was organized in the year of 1929, with a charter membership of twenty-five girls. With Louise Wood as president, the organization set out to accomplish its aim—school spirit.

A regulation outfit of black sweaters, light skirts, orange and black tams, and throws with the "Pepper" insignia, was adopted.

Throughout the year 1930-31, the work continued under the leadership of Rhea Faulkenbury, president; Marjorie Wattenbarger, vice-president; Walda McCoy, secretary-treasurer. Miss Hjordis Smith was unanimously chosen as adviser.

The members of the club, in mass, attend all athletic and scholastic activities in uniform. The roll was taken, and anyone absent from three consecutive functions, without a legitimate excuse, was automatically dropped from the club.

Added to the activities were several affairs of a more social nature.

First, in Feb. 1931, the members of the 1931 football squad were honor guests of the Pepper Club, at a banquet given in the school cafeteria. Several members of the school faculty were there.

On March 13, 1931, the Peppers sponsored a public dance held at the Centralia Eagles' Hall.

As a finale to the entire season, a semi-formal invitational dance was held in the Spanish Ball Room at the Lewis-Clark Hotel.

IN 1929 the boys taking agriculture organized the Agriculture Club. About this time the State Vocational Agricultural Department made it possible for the Ag. clubs to affiliate with the national organization known as the Future Farmers of America. This chapter was one of the first ten in the state to apply for their national charter, and it is known as the Centralia Chapter. State, Divisional and National meetings are held each year, the state meetings at the agricultural colleges and the National Meetings at the Kansas City Royal Livestock Show. National officers are elected there. Due to the fact that membership in the organization is retained for three years after graduation, the National President is a Freshman at University of Missouri. An executive board is located in Washington D. C.

The program at Centralia this year includes activities with other chapters in this vicinity, demonstrations before groups of farmers, a farmers banquet, and a spring picnic. The sponsoring of livestock judging teams, other fair work, and the publishing of a little news bulletin were among the projects of the F. F. A. The Centralia chapter is a pioneer in the publication of a club news bulletin.

Dramatic Club

THE DRAMATIC CLUB, whose purpose is the furthering of dramatic training, has a majority of upper-classmen, among its forty-five members. The officers for the year were: Eugenia Davis, president; Ed Boardman and Pat Boardman, vice presidents; Virginia Harned, secretary; and Gordon Berlin, treasurer.

Each year the club gives 3 One-Act Plays. This year, "The Patch-Work Quilt," "Evening Dress Indispensable," and "Bimbo, The Pirate," were presented January 16. The casts for these included: Ralph Hurn, Helen Jones, Frances Hall, Ruby Throckmorton, Vance Noel, Howard Grimm, George Beckim, Dick Albritton, Gordon Berlin, Dudley Lewis, Spencer Rhody, John Clark, Jacqueline Wolfson, Rosemary Huffman, Opal Blankenship, Elizabeth Collier, Grant Packard, Lucille Harper, Edith Roff and Jane Thompson. Jewell Owen, Lota Lawrence and Fern Ness were prompters.

A matinee, March 27, featured the one-act play, "The Leap Year Bride," and vaudeville acts, combined into a street carnival scene in which every club member took part. This is the first time the club has offered a novel program like this, and it was well received by the students.

The club has charge of a property and costume room for the school. They provided a make-up box for the use of the students in giving school entertainments.

Miss Herndon Smith was this year's club adviser. The year has been a successful one, due to the splendid work and cooperation of the members in the club.

Football

UNDER the guidance of their new coach, Archie Buckley, the Tigers ended a very successful season, tying with Aberdeen for the championship.

The team was composed largely of last years lettermen, who were eleven in number. The rest of the squad was made up of the preceeding year's Lewis County material. Of the twenty-two men who received letters, thirteen of them will be back to fight for their Alma Mater next year.

Those who were awarded their first football letters are Noel, Robinson, Ware, O'Connor, Burrows, Raymond, Elmendorf Rhodes, and Rhody.

Second year lettermen are Clark, Boardman, O'Brist, Kern, Albritton, Myers, Spurgeon, and Herriford.

Woody Ullin and Howard Grimm are the only men to receive their third letter in football. Besides being Captain of this year's team, Ullin was also the winner of the Warren O. Grimm cup last year.

The Warren O. Grimm cup, which is awarded each year to the player, who is the biggest inspiration to his team went to Howard Grimm, nephew of the donor of the cup.

Compared with preceeding years, this season is rated as the best for the last ten years.

A resume for the past five years is as follows: In 1925 won 2 games, lost 8; 1926 won 1, lost 5; 1922 won 3, lost 6; 1928 won 4, lost 2, tied 1; 1929 won 4, lost 5; 1930 won 6, lost 0, tied 2.

GAME RESUME FOR FOOTBALL

Centralia at Kelso

In a slow and erratic game, the Tigers took the measure of the Kelsonians by the score of 6 to 0. The only score was annexed in the last half and was made possible by an opponents fumble which was picked up by a Tiger player.

Everett at Centralia

The Tigers upset the dope when they eked out a victory over the powerful Everett Seagulls by the score of 6 to 0, in the first home game of the season. The game was close and the Tigers again won by recovering a fumble and running to a touchdown.

This game was one of the most exciting of the season, and was featured by marches down the field by both teams, but each one faltered before they reached the goal. The crowd was kept on their feet by the spectacular play. The final score was 0 to 0.

Centralia at Aberdeen

The Tigers annexed their first league game when they walloped the Aberdeen Bobcats, in a night game. All the scoring was done in the last half and was accomplished by two passes.

The Tigers started out the game by scoring three touchdowns before the Trappers knew what it was about, but the Vancouver team came back in the last half, and just about tied the count which was 18-13.

Renton at Centralia

The game started out like a real battle and the first half was scoreless. However, the Tigers opened up in the last half and scored touchdown after touchdown. The final score was 53 to 6.

Both teams played ragged ball and the scoring was kept down by a slippery, muddy field. The Tigers were unable to penetrate the Seagulls' offense with regularity but won 25-6.

Centralia at Chehalis

Centralia received the stiffest opposition of the season when they met the Bearcats at the latter's grounds. The Chehalis boys amassed a touchdown in the first quarter by a pass, and the Tigers were able to make a touchdown and the score was 6-6 a minute before the game ended.

Basketball

THE TIGERS began the season with a new coach, Archie Buckley, and only two lettermen, Ray Ware, and Woody Ullin from last year's state tournament team.

The team started this season very auspiciously by winning all their preliminary games by decisive margins, but they hit a jinx in the first league game at Chehalis and lost by a score of 13 to 16. Playing their second game against Stadium on our home floor, the Tigers were again defeated by a score of 34 to 21. The game was exciting and more interesting than the score indicates.

The Aberdeen Bobcats had a hard time taking the Tigers 20 to 12 in the next league game at the Harbor City. Again the Tigers came close to winning a game against the Olympia Bears in a fast and thrilling game, but didn't have the extra scoring punch and lost by a score of 24 to 18.

Playing a fast and rough game, which was not decided until the closing seconds, the Tigers were defeated by the Lincoln Abes 23 to 20.

Although beaten decisively by the Grizzlies from Hoquiam, the game was annulled because of the ineligibility of one of their players.

The Tigers started the second round of play with clean cut victory over the Bearcats by a score of 18 to 9.

In a game with the two Tiger teams at the city of Destiny, Stadium won by a score of 48 to 16. The offense of Centralia was slow in functioning.

The Tigers stopped the Abes in the most thrilling and closest game of the season by a score of 24 to 22 in a game that was not decided until the last few seconds of play.

Olympia took their second win from the Tigers at the Capitol City in a slow game.

The Tigers gained revenge for their defeat by the Aberdeen Bobcats, earlier in the season, when they eked out a close win, 21 to 20, in the closing minutes

The Tigers gained the last league game from the Hoquiam Grizzlies by forfeiture.

Although the Tigers were able to finish only in a tie for fourth place in the league standings, with five wins and seven losses, however, they took all their non-conference battles and ended the season with eleven wins and seven losses.

Next years chances for a title contender are very bright, with six lettermen returning: Bill Robinson, Everett Young, Johnnie Clark, Phil Raymond, Dayton Nietert, and Alvin Rhodes.

Two year lettermen who have played their last for their Alma Mater are Woody Ullin, and Ray Ware; and the one stripe winners who will not be back are Peachy Greenleaf and Dusty Moore.

Lewis County Basketball

THE KITTEN basketball team under the able leadership of Coach Laudendach, rounded out a rather poor season with one victory and seven defeats. The boys were fighting every minute and gave a good account of themselves and show much promise for next year's first team. The boys who earned letters were: Billy Baker, Fred Burdette, Billy Elmendorf, Verol Elmendorf, Harold Nunnelee, Ronald Shelton, Charles Vogel, Elvin Waters, and Ruel Woods.

Track

THIS YEAR Centralia, under the leadership of Coach R. C. Hall, sponsored the first annual Centralia Relays which was a huge success. Thirteen schools from all over Southwest Washington were entered. Although Vancouver won the meet and Centralia finished several places down the list of contestants, it was a great success as far as all concerned in Centralia and in the region it furnished a good series of races.

The Tigers entered the Vancouver Relays and in competition with the Portland Schools, and all the large Oregon and Southern Washington schools, placed one first and one second out of ten events.

At the time this goes to press on the eve of the dual meet with Aberdeen the remainder of the schedule is:

Centralia and Aberdeen here April 25.

Western Washington Relay Seattle May 2.

District Meet here May 9.

Southwest Washington meet Olympia May 16.

State Meet at Pullman May 23.

Tacoma Relay at Tacoma May 30.

Coach Hall has created a good deal of interest in relay racing here due to the fact that he turned out a Championship Team which he sent to the State Meet last year. Coach Hall learned his scientific method at track which he is now teaching Centralia athletes from Carl Schleoderman at W. S. C.

On the whole this years' track season has proven a real success. The success of a season is not measured by win and losses, but by progress made towards a better group of athletes and this progress has been made this year.

 Row 5. Curry, Moneghan, B. Friend, Drake, Boardman, Conners, Floyd, Fuller, Olmstead.

Baseball

BASEBALL practice was late in starting, due to rainy weather, but now the squad is working very hard. There are only five lettermen back this year and the rest of the squad is made up of last years Lewis County men.

The names and positions of the players on the squad are as follows: Vogel, Robinson, catcher; Ware, C. Friend, B. Friend, Drew, pitchers; Olmstead, Woods, 1st base; Gerwig, 2nd base; Roulst 3rd base; Naismith, Waters, S. S.; Corcoran, Sholar, Monaghan, Wilcoxson, Sayce, Hawley, Martin and Clark are the outfielders, and utility men.

There are four other teams in the league besides Centralia, Kelso Olympia, Shelton, and Chehalis.

By winning the cup this year, it would become the permanent property of the Tigers.

Kelso is the strongest of these, having won their first three games by large scores. If the Tigers win their remaining games, C. H. S. will be tied with Kelso, and a play off series would be necessary to determine the league champions.

The team is coached by Archie Buckley, who was a baseball star at W. S. C., and he is doing a very good job at it.

At the time this story goes to press, the Tigers have won one game and lost one, but have a very good chance of copping the remaining games.

They lost to the Kelso Highelimbbers 4 to 1 and defeated Chehalis 9 to 1. in the only other game which was a non-conference fray, they were defeated by Rochester 10 to 7.

Lewis County Football

THE LEWIS COUNTY kittens started out the season with a large bunch of inexperienced players under the leadership of Coach Carl Laudénbach. They didn't know much about the fundamentals of the game but made up for this defect in fight and courage.

The team was successful in winning two games, tying three and losing one. Although the season wasn't very successful, however, they turned out some good material for next year's Tiger Team.

The Kittens helped condition the first team for their games by scrimmaging with them and absorbed the hard knocks with pleasure in order that they might help the Tigers.

The players were: Jack Baker, Bill Baker, Lee Burrows, Clinton Clark, John Corcoran, Billy Elmendorf, Dick Fisher, Irvin Greenleaf, Henry Ickes, Isadore Laughlin, Marcellus Laughlin, Fred Martin, D. Mitchell, Arthur Mitchell, Jim Monaghan, Dayton Nietert, Horace Nunnellee, Harold Nunnellee, Hendry Ring, Walter Olmstead, Ed. Ormbreck, Percy Roulst, Cleo Robinson, Robert Sapp, Don Shelton, Ron Shelton, Jim Smith, Otis Thompson, Chet Ullin, Charles White, George Husk, manager.

Golf

GOLF was introduced to Centralia athletes as a minor sport this year and, although it was not a winning success, it was a success as far as interest created was concerned.

The Tiger team was composed of but one veteran golfer, Howard Grimm; the remainder of the team played their first competitive matches this year. Many of the squad will be back next year, and as a start has been made, in a year or two they should have a good golf team to send out.

This is the first year there has been a golf league in Southwest Washington. The league is composed of Olympia, Hoquiam, Stadium, Lincoln, Aberdeen and Centralia. The teams were composed of six men each and the season consisted of home and home matches with each school.

It is quite probable that golf will be made a major sport next year, due to it's popularity this year.

Probable letter winners are Grimm, Noel, Borchart, Bamford, Burdette, McBride, Sweeney and Berlin.

Tennis

TENNIS, with it's evergrowing popularity, is fast becoming one of the more important sports in Centralia High School. Coach Arthur Ehret has done much this year in turning out a team which has given Centralia a lot of credit.

A Southwest Washington Tennis league was formed this year with Shelton, Olympia, Aberdeen, Chehalis, Stadium and Centralia as members. Each team played a home and home schedule.

The results of the first 6 matches were: Centralia lost to Aberdeen when the harbor team won two boys singles, while the local boys doubles, composed of Packard and Howland, won a match.

Olympia split a tournament here when both boys teams lost while Clark won the Girls singles and Gillespie and Hansen won the girls doubles. The Tigers journeyed to Tacoma with an all boys team and lost all matches.

The Tigers also dropped a tournament at Shelton when the High Climbers won all matches, but the girls doubles when Gillespie and Hansen won their match (6-3) (6-2).

Centralia took on Chehalis here and won both doubles sets, Wortman and Howland won the boys doubles (6-3) (6-2) and the girls doubles was won by Gillespie and Hansen (6-0) (6-0).

The Tigers also won on the Chehalis courts when they won all the matches but the boys singles. Clark won the girls singles (6-4) (6-1), Gillespie and Hansen won the girls doubles (6-0) (6-0) and Howland and Wortman won the boys doubles (6-4) (6-3).

Girls Athletic Association

THE GIRLS' ATHLETIC ASSOCIATION of 1931 was ably headed by Marceil Myers. The association had a successful year as all the sports fostered by the club were of interest to the girls in the high school.

The main idea of the club is to inspire all girls of C. H. S. to have an interest in sports. All sports are given the support of the club.

Awards are offered each year by the organization to those girls earning them. Freshman are given numerals, Sophomores, letters, Juniors, pillow tops, and Seniors, pins. No pins were given last year, but three girls have earned the right to wear them this season.

During the fall and early winter, hiking and camp breakfasts were sponsored by the club, under the leadership of Miss Guyer. Tennis, and outdoor baseball filled the sport schedule in the spring.

Participation in the University of Washington Playday was one of the main projects of the club during the year. Eleven girls were chosen to represent C. H. S. in the meet, in the general Posture Parade. Ivera Nelson won the coveted honor of first place in the entire group. Her posture was adjudged the most perfect of all the school representation. The meeting in Seattle was preceded by a week of posture publicity within the school.

The year has been an unusually successful one in the Girls' Athletic Association.

All Star Teams

GIRLS' ATHLETICS included four sports this year, three major and minor, hockey, soccer, basketball and baseball. Soccer was a minor sport having teams selected by two captains, Clarabell Dodd and Maxine McNeely. The season ended in a tie.

In Hockey, the first sport, the Freshmen proved to be the champions. After the season, a banquet was held for all members of the teams and each class had a faculty member as a guest. The all star team was chosen by the managers of the classes: Helen Conrad, Freshman; Elizabeth Thompson, Sophomore; Elsie Rice, Junior and Senior, and the manager of the all star team themselves. The team consisted of Marceil Myers, Leona Howland, Doris Taylor, Rosie Howland, Margaret Logsdon, Frances Gillespie, Marjorie Barrett, Nelda Lipf, Dora May Conrad, Marie Langraf, Clarabell Dodd, and Helen Conrad, manager.

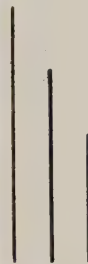

In Basketball, the Seniors were champions, with five victories to their credit. The majority of the games were played after school, although some were run off in the morning. This season likewise ended with a banquet announcing the all star team and manager. The four class managers who were chosen on the all star team were: Helen Conrad, Frosh; Eileen Deskins, Soph.; Dora May Conrad, Jr. and Agnes McDougall, Sr.

The All-Stars consisted of Eugenia Davis and Marceil Myers, forwards; Helen McGuire, and Thelma Clark, guards; Rosie Howland, side center; and Ruth Galbraith, jumping center.

The announcement of the All Star baseball team closed the athletic season for 1931.

Stage Crew

PERHAPS one of the most unknown and hence, unappreciated groups in high school, is the Stage Crew, which has as its members Charles Dickey, Lloyd Moore, Robert Sapp, Francis Saunders and Lorrin Myers.

They have served faithfully throughout the school year, making scenery, raising and lowering the curtain for every entertainment, and in every way helping C. H. S. put on the successful entertainments.

To the crew, Centralia students owe a vote of thanks, and especially to those who are graduating this year, they wish every success in future enterprises.

K. O. M.

ANOTHER service club of the high school is the "Knight of Maul", familiarly known as "K. O. M." Re-organizing this year, under the leadership of Mr. Campbell, they had as officers:

Donald Naismith, president; Ray Hughes, vice president; and Dick Rockwell, secretary.

Their work during the year was a compliment to the Yell Kings, and their uniforms were also Orange and Black. Leading of serpentines, and patrolling of the football fields during games was their main duty. They gave a Pep assembly during the football season, which was very well received.

Yell Kings

WITH YELL KINGS like "Peachy" Greenleaf and Dick Rockwell, his assistant, to lead Pep in the way it should go, this school experienced one of the best years it has known. Dressed in their Orange and Black suits, they embodied the very spirit of C. H. S. During the numerous rallies and entertainments, they were always ready to do their utmost in helping prepare the programs, promote good feeling, and of course to see that students had their full quota of Pep.

The school owes much to "Peachy" and Dick for their good work during 1930 and 1931.
